Spacious Convenience...

If you're looking for an exceptionally spacious detached family home in the heart of Haywards Heath then this fabulous family home offers over 3,000 sq ft of accommodation and sits in the heart of 'The Heath' conservation making it convenient for the mainline station (just an eight minute walk via Clair Park), town centre and good schools.

The home has been substantially extended and now offers incredibly expansive and versatile living space that is perfect for a family, multi-generational living or anyone requiring live in care.

A Warm Welcome...

Upon entry you're welcome by a large reception hall, which sets the tone for what lies beyond.

Family Friendly Flexibility...

The main sitting room has a beautiful fireplace which provides a natural focal point. The fireplace is gas but there is a chimney breast so an open fire or log burner could be added, if preferred. Bi-fold doors seamlessly connect this room with the conservatory and engineered oak flooring flows through, with underfloor heating in the conservatory meaning it is a useable space all year round.

Let Me Entertain You...

The open plan kitchen/diner extends to nearly 28ft and is a superb space for entertaining. The ceiling lantern floods the room with natural light and bi-fold doors blur the division between the inside and the outside, particularly in the summer when you can throw them open and spill out to the westerly garden.

The kitchen itself has classic shaker style cabinetry that sit under wooden counters. There is a central island, double oven, gas hob, fridge/freezer, a deep butler sink and underfloor heating. The separate utility room houses the boiler, washing machine and tumble dryer – keeping those noisy appliances tucked away.

Just off the kitchen you have the family room, which could be used as a play room, home gym or large office. There is a large storage cupboard and a lift that rises to the first floor.

For those who work from home there is a great size office and you have access to an ultrafast fibre broadband connection.

The ground floor also has the essential ground floor cloakroom and an enormous walk-in store.

Bed, Bath & Beyond....

On the first floor there are four great double bedrooms and three bath/shower rooms.

The master bedroom has the lift access and is an enormous double (21ft x 14ft), overlooking the garden. The ensuite bathroom extends to a colossal 16ft and is ready made for those requiring additional care. If preferred, this space could easily be split into a dressing room and ensuite.

Off the main bedroom is another double bedroom with ensuite, designed for a live in care-giver. This space could be used as a separate annexe space for an au-pair or teenager, especially as there is the additional benefit of a separate entrance and staircase.

The third and fourth bedrooms are also doubles and both enjoy leafy outlooks to the rear. These are served by the family bathroom.

The house had transformative works in 2013/14 so the electrics and pressurised central heating system were upgraded at the time.

Heading Outside...

Heading outside, you have a delightful west facing garden that enjoys the afternoon sunshine. The paved terrace runs the entire width of the house and is perfect for al-fresco dining. Although you are in the heart of Haywards Heath you have a lovely wooded backdrop and the expanse of level lawn is ideal for children to play.

Parking & Garaging...

To the front the home is well screened from the road with established trees and thick hedging. The block-paved driveway provides parking for several cars and leads to the integral garage with electric door.

In total, the plot is 0.25 acres.

The Location...

The station is on the main London-Brighton line and boasts fast, regular services to London Bridge/Victoria (47 mins), Gatwick International Airport (15 mins) and the South Coast (20 mins)
