### Welcome Home...

If you're looking for a spacious, and highly versatile home in a quiet village setting then this delightful 4 bedroom chalet bungalow could be the one for you. It is bright and welcoming, offering flexible and spacious accommodation and is situated in a beautiful, select close, home to only 30 dwellings, ensuring a peaceful and private setting.

Upon entry you are welcomed by a light-filled hallway with voluminous vaulted ceiling illuminated by a Velux window above. To your left, the spacious lounge features two large windows, one being a bay, creating a delightful double aspect and filling the room with natural light. The hallway also offers ample storage space under the stairs, ideal for coats and shoes.

At the rear of the home, the modern kitchen boasts a large window with views over the well-maintained garden and provides side access to the outdoor space. Thoughtfully designed, the kitchen offers space for a washing machine and dishwasher, while the integrated fridge-freezer, double oven, and gas hob ensure complete convenience, Karndean flooring provides practical flooring and a new combi boiler is hidden away in the kitchen units.

The stylish family bathroom, recently updated in January 2024, is generously sized and offers the versatility of both a shower and a bath. Above the sink, you'll find a mirror with Bluetooth connectivity, as well as a dedicated socket for an electric toothbrush or razor – a practical touch for everyday convenience.

One of the four bedrooms is located at the rear of the property, offering a lovely outlook on to the garden. This versatile room could also serve as a dining room. A double wardrobe provides ample storage space.

The second bedroom overlooks the front of the house and, like the other, this room could also be used as a dining or family room and it benefits from a practical double storage cupboard.

Upstairs, you'll find the fantastic loft conversion, added 12 years ago. With two generously sized rooms of similar proportions, there'll be no dispute over who gets which room! 'Made to measure' fitted wardrobes are ideal for hiding toys, clothing, or shoes. Each room benefits from a rear-facing aspect and Velux windows to the front, ensuring plenty of natural light. These rooms are complimented by a contemporary shower room, which was recently updated last year, adding a modern touch to this already impressive space.

### Step Outside...

To the side of the home, you'll find a garage with power, providing an ideal space for additional storage—perfect for a second fridge-freezer when entertaining, as well as a lawnmower and tumble dryer. The rear garden features a spacious patio and offers a blank canvas for any aspiring gardener. There's also a shed for housing garden tools, along with an outside tap, always a practical addition.

The front garden is framed by a low brick wall and provides parking for one car, with potential to extend the parking area if desired.

### Scope & Potential...

Planning permission was granted early last year for a fabulous extension to the rear and side of the property. This would allow for an open-plan kitchen/dining room, snug, and a utility room, offering a generous additional space measuring 4 meters by 10 meters. This extension would be a wonderful enhancement to an already well-appointed home, creating a superb space for modern living and family gatherings.
