#### The Home...

This fabulous terraced home in sought-after Balcombe is the perfect first time purchase or downsize and is ideal for someone looking for an affordable home in this superb village.

The accommodation is really generous and has been extended on the ground floor, which has added brilliant extra living space. Internally the home would now benefit from some cosmetic modernisation but the kitchen is very modern and of high specification with quartz counters, sleek units and a range of integrated appliances.

The sitting room is a generous size and overlooks the front. This space seamlessly flows through to the dining room via double doors allowing for more open plan space and separation, depending on the mood. The dining room connects with the kitchen via a decorative opening – great for entertaining.

The ground floor also has a cloakroom and there is storage for shoes & coats. You could also build in further storage under stairs, if required.

On the first floor are two generous double bedrooms (one with fitted wardrobes), single third bedroom and the family bathroom which requires updating.

The home is fully double glazed, has been recently neutrally redecorated and warm air heating system which was brand new 2022/23.

There is no onward chain so a quick move is possible.

To the rear is a low maintenance, paved garden with gated rear access. To the front is a paved garden and plenty of on street parking for residents and guests.

#### Brilliant Balcombe...

Jobes is a peaceful close in the heart of Balcombe. The village station is within short walking distance and provides regular mainline Thameslink & Southern services (approximate best timings: Victoria 46min; London Bridge 40min; Brighton 26min). Village facilities include numerous shops and stores, tea room, village pub, social club, church, sports clubs, primary school and the mainline train station providing links to London, Gatwick Airport and Brighton. Haywards Heath and Crawley offer more extensive shopping and leisure facilities in addition to mainline railway stations (Haywards Heath to Victoria or London Bridge both approximately 47mins). By road, access to surrounding areas can be gained via the A23(M) which lies approximately 4.5 miles to the west at Handcross or north at Maidenbower.

Balcombe is surrounded by beautiful Sussex countryside. To the east are Balcombe lake & Ardingly Reservoir with their variety of footpaths, bridleways and angling facilities. The area is renowned for the standard of its schooling in both the private and state sectors with Balcombe Primary School being particularly reputable. A school bus runs through the village providing transport to Warden Park secondary school in the neighbouring village of Cuckfield. In the private sector Worth School and Handcross Park, Ardingly College, Great Walstead and Burgess Hill School for Girls are all easily accessible.
