# LOVELY LUCAS

If you're looking for a sizeable, detached family home in a peaceful, tucked away location in the prestigious 'Lucastes' area of western Haywards Heath then this fabulous family home in the sought-after Lucas Way will surely be of interest.

The home was the subject of transformative renovation and extension by a very highly regarded local developer in 2013 and offers exceptionally spacious and highly flexible accommodation that extends to over 2,800 sq ft with five bedrooms, three bathrooms and four reception areas - all on a 0.22 acre plot with southerly garden.

## FAMILY FRIENDLY FLEXIBILITY

Upon entry you're welcomed by a generous hallway, which sets the tone for what lies beyond. The ground floor offers an incredible amount of versatility, perfect for a sizable family. The sitting room is enormous space with engineered oak floors and a pleasant outlook over the garden.

The exposed brick fireplace adds texture and character and the large log burner creates a cosy feel on those chilly winter evenings.

Off the dining area is the family room – perfect for teenagers or as a children's play room. If you wanted an even larger open plan kitchen/dining/family room you could easily knock through into the kitchen/diner.

Another set of bi-fold doors lead out to the garden too.

# SOCIAL KITCHEN

The kitchen is the heart of any home and this space is truly impressive, extending to a cavernous 34ft – the perfect space for both entertaining and modern family living. The kitchen itself is from Hamilton Stone Design and combines classic, shaker-style cabinetry with opulent granite counters, solid wood breakfast bar and exposed brick peninsula. There is a range of integrated appliances including double oven, gas hob and dishwasher whilst the wet underfloor heating system keeps you nice and toasty.

The separate utility provides space for the noisier appliances and is perfect after a muddy dog walk or the children's football training, when the shower room will come in very handy indeed.

The dining area flows freely out to the south facing garden and the bi-fold doors blur the division between the inside and the outside.

## BATH & BED

On the first floor you have five fabulous bedrooms and two bath/shower rooms. The master bedroom is a superb suite with generous sleeping area, walk-in dressing room and stylish ensuite shower room.

The second, third, fourth and fifth bedrooms are served by the oversized and modern family bathroom with separate bath and shower room.

All bathrooms have underfloor heating.

The home has gas fired central heating with pressurised system, high performance double glazing and a large, fully boarded loft space. The boiler is neatly housed in the loft.

# OUTSIDE OASIS

Heading outside the garden is a delight. The favoured south-westerly aspect means you're bathed in sunshine throughout the day and the established borders create screening that offers plenty of privacy and seclusion.

The paved terrace is the perfect spot for 'al-fresco' dining and the large expanse of level lawn is great for children to play.

There is gated side access and a door that leads into the integral garage, which offers immense storage space.

To the front is a large block paved driveway providing parking for several cars.
